Saint Peter Health Ministry Committee

Mission Statement

The mission of the Health Ministry Committee is to enhance physical, mental, social and spiritual health of the St. Peter faith community in conjunction with the pastor, clergy, and Parish Council.

Projects / Activities

- Distributes Holy Communion to residents at Sunrise of Dublin.
- Sponsors the Health Ministry Fair. This event allows the committee to provide free health screenings (Blood Pressure, BMI, Vision, Hearing, Blood Sugar, Flu Shots) and information to the community
- Provides Health promotion activities such as the Matter of Balance Class, September 2016; End of Life Program conducted in November, 2016; Flu Immunization program initiated in November; Diabetes Class planned for the summer of 2017.
- Maintains a monthly bulletin board for current health issues, healthy living tips, etc.
- Visits selected parishioners for spiritual care as directed by the pastor.
- Make referrals to community resources as appropriate.

Goals

- To offer a grief support group. This will be led by Deacon Phil Paulucci.
- To offer a drug/mental health program to help inform the community.
- TO maintain a covenant agreement annually with Mount Carmel Church Partnership Department.
- To develop new services/resources for parish/neighborhood communities as necessary and establish relationships with other faith communities as warranted.

Meeting Schedule and Budget

- Meets on All Committee Night and as needed.
- The committee has a budget of approximately \$250 for food, speakers, supplies and water.
