# Saint Peter Parish Life Committee

## Mission Statement

The Parish Life Committee fosters a sense of community, family, and caring among St. Peter parishioners by organizing and hosting various social activities intended to bring the entire Parish Community together.

## Projects / Activities

Committee activities include planning, organizing, and implementing all details of each event. Planning for each event occurs at monthly committee meetings and additional meetings with committee members, church employees, and Father Summers as needed. After each event, Committee Chairs gather feedback from committee members and parish participants which is then provided to Parish Council and to Father Summers along with recommended improvements for subsequent activities. Committee Chairs maintain a notebook of instructions, resources, contacts and schedule for planning each event.

### **Events for which the Parish Life Committee is Responsible:**

- Volunteer Dinner
- Parish Picnic
- Family Halloween Party
- Sub-Committee – Parish Welcoming Committee

### **Events for which the Parish Life Committee Provides Assistance:**

- Coffee and Donuts

### **Events Handled by Parish Life in 2016 not currently budgeted or planned for 2017:**

- Catholic Foundation Dinner (catering and volunteers)
- Welcoming and Retirement Parties

- Recruiting
